

Scholarship Application Form

The Kennewick Grid Kid policy for scholarships is as follows:

- Executive Board Officers review all scholarship requests
- All scholarship reviews are attempted to be conducted prior to the next sign-up date
- Scholarship registrations are not permitted prior to Executive Board Review
- Scholarships may waive all or part of the registration fee upon written request and demonstration of substantial financial hardship

Note: The more proof provided to the Board demonstrating a financial hardship will help the determination process to allow for scholarship approval. Examples of documents the Board could review are pay stubs, income tax submittals, copies of bills (utility, mortgage, etc.), proof that you are on an official community assistance program (food stamps, etc.), etc. Attach all copies of documents to this completed form. Documents will be returned.

The parent/guardian of the child(ren) must apply for the scholarship.

Parents of players on scholarship will be required to check in with their Head Coach each week and must perform field cleanup, extra concession stand help, etc. or the scholarship may be revoked.
